

FLEECE CAPS

SUPPLIES NEEDED:

1 yd. polar fleece - makes 6 caps

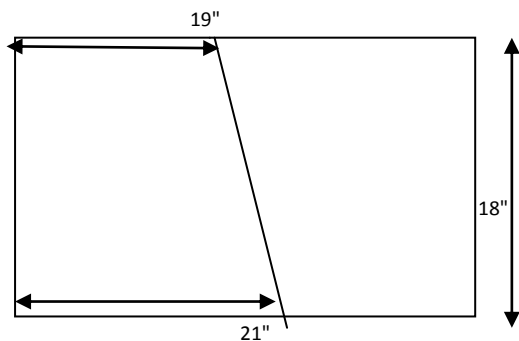

Rotary cutting equipment

Thread

#80/12 Stretch or Ball point needles

CUTTING INSTRUCTIONS:

1. Trim the selvages and save.
2. With the fabric folded with selvages together, cut 18" from the yardage.
3. Beginning at the selvage side, measure in 21" on one edge and mark. Measure in 19" on the opposite edge and mark.

CONSTRUCTION:

1. Join lengthwise edges to form cone shape.
2. Fold up a 3" to 4" hem on the wide opening and stitch with a stretch zig zag stitch.
3. Cut into the unhemmed edge, making a fringe, about 6".
4. Tie securely below the fringe with a saved selvage strip.
