- WINE GLASS Chandelier
- Cut 1 Fabric + 1 Interfacing
- 1) Pin smooth side of interfacing to right side of fabric.
 - 2) Sew from one mark, along the curved edge and then on to the next mark. Repeat on the other side. Finger-press curved edges flat. Work out the corners gently, making sure not to tear the interfacing.
 - 3) Turn right side out and then on to the next mark. Iron lightly from the fabric side, match side seam edges and press seam open. Backstitch at the marks.
 - 4) Turn right side out and press seam open. Drop a lit LED tealight into the glass.
 - 5) Slide on to top of a wine glass.
- DO NOT USE WAX CANDLES.
