

Baby Blanket

Blankets need to be made from soft cotton or flannel. They can be one or two layers and approximately 36"- 40" square.

Supplies:

1 yd. flannel or soft cotton
Thread for hemming

Cutting and sewing instructions:

1. Pre-wash fabric.
2. Cut a square from yardage 38" - 40". The samples were cut 38" square.
3. Hem the edges using one of the following methods, rolled hem using the rolled hem foot of the sewing machine, rolled hem on serger, turning under twice to make a clean finished.
4. If using two layers of fabric place the fabric right sides together. Stitch all side leaving an opening for turning.
5. Turn right side out, press, then topstitch or use a decorative topstitch to finish.

LAP QUILTS FOR CLAYSTONE NURSING HOME IN ENNIS:

Lap quilts should be approximately 36" x 45".

This is an opportunity to use leftover fabric from previous projects. The quilts need to lightweight but warm. Any style and pattern can be used.

Bring completed items to guild meetings and give to Community Service contact person.

Please record the service hours on the check-in sheet.
