#### Red #2 Fabric:

### Piecing for Step 3

#### • Make Strip Sets

Sew a 2¼" x WOF Medium Blue strip to a 5¼" x WOF Background strip and press the seam to the Medium Blue. From this strip set cut 16 segments measuring 2¼" wide.

Sew a 2¼" x WOF Medium Blue strip to a 4" x WOF Background strip and press to the Medium Blue. On the other side of the Medium Blue, add a 2¼" x WOF White Strip. Press to the Medium Blue. From this strip set cut 16 segments measuring 2¼" wide.

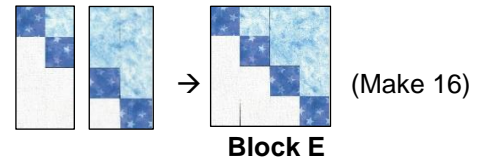

Sew a section from each strip set with RST and press the seam in either direction. Make 16 of these and label as Unit 3-A.

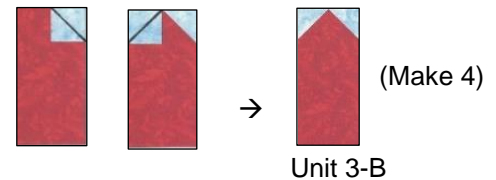

#### • Complete Block E

Sew Unit 2-C to Unit 3-A with RST. Press the seam in either direction. Complete 16; square to 7½", if needed. Label as Block E.

#### • Sew Red Point Pieces

Using the remaining 1½" marked Background squares from Step 2, sew a marked square on the right-hand side of a 2¼" x 4½" Red #2 strip, RST. Sew on the line, cut off the corner pieces leaving ¼" seam allowance, and press the remaining Background triangle away from Red #2. Repeat with another Background square on the left-hand side. Note: the small squares will overlap in the center. Make 4.

#### • Make More Strip Sets

Sew the 9 (1-3/8" x WOF) White strips together in a long strip. Cut into 8 (44") pieces. Watch where the joining seams are on the long strip so that they don't end up right at the end of the 44" strip.

Sew the 4 (2¼" x WOF) Red #2 strips plus the leftover piece together into another long strip. Cut into 4 (44") pieces. Again, watch where the joining seams fall in the long strip. Sew 2 (44") White strips to both sides of a 44" Red #2 strip. Press the seams towards the Red #2. Make 4 strip sets.

Again, sew the 9 (2¼" x WOF) Dark Blue strips together and cut 8 (44") pieces. Sew Dark Blue strips to each of the White strips. Press the seams to the Dark Blue. Make 4 of these.

From the completed strip sets cut the following units:

2 sections measuring 7½" x 42½" -

4 sections measuring 7½" x 14½" - label these as Block F.
